

# Template Store

Bonus pattern for the Wonky Squares templates

Approx size 16" and 4" diameters.

Requirements:  
Coordinating scraps  
Soft wadding  
1/2" ribbon

© Lizzy Curtis  
Edited by KathrynMorgan

Prepare the project:

- Cut 2 outer pieces and wadding 9" x 6.5"
- Cut 2 lining pieces 9" x 6.5"
- Cut 2 pockets 6.5" x 6"
- Cut straps 9" x 4"
- Cut ribbon 2 x 10"
- 

All seam allowances are 1/4" unless stated

• Resources:

- <https://www.amazon.co.uk/shop/lizzycurtis>

Tips and suggestions:

- Line the pockets for extra security and softness
- Instead of a satin stitch around the Wonky Squares applique use a fancy stitch.
- Use decovil light and wadding for stability and security
- The second pocket can be used for other templates you may have
- Instead of 2 outer and lining pieces just cut one long piece. Stitch down the center once completed to give it a "hinge"

1. Adhere the wadding to the outer pieces only.

Using the leaflet as your guide make up the Wonky Square using the smallest template.

Apply bondaweb to the wrong side of your completed square and satin stitch to the front outer piece.

2. Fold your straps in half, so long edges meet in the middle, fold again, press well and top stitch.

( I have added a little strip of complimentary fabric just for fun)

3. Pin in place the straps and 10" ribbon to both the front and back pieces as shown.

The straps are 1.25 in from the sides, the ribbon is central.

Baste across the top edge to secure both straps and ribbon in place.

4. Fold over one of the long edge (6.5") and fold again, top stitch to neaten.

Now place pocket right sides up on the right side of the lining.

Baste in place.

Repeat for the other piece of lining.

5. Sew the short ends of the lining, at the pocket end.

Repeat for the outer pieces, making sure you don't stitch the strap and ribbon end.

6. Place both outer and lining pieces right sides together, tuck in the straps and ribbons and sew all round leaving a 3 " turning gap along one of the long sides.

7. Turn through. Press well and finish by turning under the gap and top stitching all around to neaten.

## Terms & Conditions Of Sale

No pattern and/or instructions, including the exclusive video will be shared, photocopied or scanned to, or for, anyone. This includes friends, family members and distribution of copies or copy into a workshop or teaching environment, without the permission of the owner, Lizzy Curtis.

For every pattern sold, only the customer can use this pattern. The customer can use it as many times as they wish. You can make and sell the item as many times as you wish for personal profit or a chosen charity.

Failure to download, or safely store the pattern, onto the your chosen device or hard drive is not the responsibility of the owner Lizzy Curtis

Failure to adhere to these rules will be considered unlawful
